\$5 a Ticket

Comrades, As spring approaches and the pandemic appears to finally be over, we are primed to take the Post to new levels of success. We are on track to make both All State and All American again this year. Membership and retention are good. Business is good. A lot of focus is going to be put on Veteran Services in the coming months so stay tuned for announcements. As always, Support Your Post and God Bless.

V/R,
Matt Andrews
Post Commander
