Comrades,

October was good. Let's make November great. Our new House Committee chairman has really stepped into the role and has made a big difference. We are doing much better since September. You are what make this organization great. Keep coming in and supporting your Post. Don't forget this month's big events- the annual Veterans Day ceremony and wreath laying Nov 11th and the Marine Corps birthday Nov 10th. Have a safe and Happy Thanksgiving!

V/R,

Matt Andrews

Post Commander
